

## Aquí trabajamos con NeuronUP

Los centros a la vanguardia de la neurorrehabilitación eligen NeuronUP

The image illustrates the NeuronUP platform's versatility across different devices and applications. It features:

- Central Screen (Tablet):** Shows the main landing page with a headline "Los centros a la vanguardia de la neurorrehabilitación eligen NeuronUP". Below it, a circular image shows a person in a wheelchair performing cognitive tasks, with labels for "Praxias", "Orientación", and "Funciones ejecutivas".
- Left Side (Smartphone):** Displays a cognitive task where users must determine if a figure is inside or outside a shape, with numbered boxes 1-6 and corresponding lines for marking.
- Right Side (Desktop Monitor):** Shows a comprehensive dashboard titled "Pasito a pasito" with the sub-instruction "Ordena las siguientes imágenes". The dashboard includes a grid of cognitive exercises like mazes, word puzzles, and memory games, along with various data visualization tools and progress metrics.
